**Donation
Appeal**

Dear Supporters,

As we continue our mission to provide top-tier education to the students of Kanodar and nearby areas, we face the urgent need to expand our facilities and programs. The Ja'fary Education Society has always been a beacon of hope for families who dream of a brighter future for their children but lack the financial means to send them to schools in larger cities.

We are proud to run our school with the lowest fees in the area, ensuring that quality education remains accessible to all. However, to meet the growing demand and better serve our students, we need your support to expand. Our plans include introducing a Science stream for Higher Secondary classes, Re-construction of old school building. We also aim to construct a modern library, computer lab, and sports area to enhance our students' physical and intellectual growth.

This ambitious plan requires significant financial support, and we humbly appeal you to contribute to this noble cause. Your donations will directly impact the lives of our students, providing them with the resources they need to succeed in today's competitive world.

Donations are eligible for tax exemptions under Section 80G of the Income Tax Act.

Please join us in building a better future for our community. Your support, whether financial or moral, is invaluable.

Thank you for your kindness and generosity.

G.M. Malpara
